Summary

My name is Mahmoud Hassan. Also ok with people calling me Mahmoud Abdel-Fadil. Performance-driven, goal and detail-oriented, and diligent web developer with a proven track of high quality yet complex and big software web apps. As a good communicator and a customer-focused developer, I freelanced during my junior and senior years in college, it was so fulfilling seeing clients coming back and enjoying and praising my work

Skills

- HTML
- CSS
- JavaScript
- Jquery
- Bootstrap
- PHP
- MySQL
- Laravel
- Github
- API

Education

Faculty of Specific Education - Educational technology department - El-Fayoum University .
